BT MeetMe

BT MeetMe is a reservationless PhoneConferencing service that allows groups of up to 20 people to meet quickly and easily. There's no need to book and all you need to join a conference call is a telephone.

This service helps you get the most from your working time and makes arranging conference calls as simple as possible.

Think of BT MeetMe as your own 'virtual' meeting room, which is made available whenever you want to use it - even at only a moment's notice - and enables you to share and discuss information just as you would during a traditional meeting.

With BT MeetMe you can:

- Increase business efficiency by arranging impromptu and flexible meetings without booking a conference call.
- Share information quickly and easily with the help of Web Tools.
- Minimise unproductive time by having a 'virtual' conference, rather than travelling to meetings.
- Customise your conference according to your individual needs.

BT MeetMe Pricing - 2 Tariffs Available:

- **Pay as you use** - 22p per minute per participant.
- **Frequent Users** - £35 monthly subscription charge and 12p per minute per Participant.
